2015 DATES	SEMESTER 1	SEMESTER 2
Coursework applications	30 Nov 2014	31 May 2015
Orientation dates	23 Feb – 27 Feb	22 Jul – 24 Jul
Semester dates	2 Mar – 29 Jun	27 Jul – 24 Nov

Research applications

Higher Degree Research applications can be submitted outside of these dates, however so as to ensure students are enrolled by census date (31 March 2014 for Semester 1 and 31 August 2014 for Semester 2), it is highly recommended that students apply online up to 8 weeks prior to census.

Academic entry requirements

The entry requirements provided in the coursework program summary table below are a guide only and may be higher than those indicated. More detail can be found for coursework programs by referring to the program entry in this guide or by contacting the relevant faculty and for research programs by contacting the Graduate Research School: www.research.unsw.edu.au. In all cases admission will be determined upon the receipt of an application. Cut-off scores may be increased should demand exceed the availability of places in a program. UNSW reserves the right to vary entry requirements to those published without further notice.

English language entry requirements

Accepted English language proficiency qualifications for research programs can be found on page 128 in the English Language Requirements section. Please note that regardless of UNSW's English language requirements, you should be aware that you must still satisfy the Australian Department of Immigration and Citizenship English language requirements for visa applications.

Tuition fees

The estimated annual tuition fees are calculated based on a program-prescribed full-time study load in 2013. To calculate the estimated tuition fee for a whole program which may spread over more than one academic year, please refer to the Calculation of Tuition Fees section on page 130.

Credit transfer

When applying to study at UNSW you may be eligible to receive credit transfer in accordance with UNSW's admission policy. For further information, please refer to this link: www.credittransfer.unsw.edu.au

You should be aware that if the award of credit transfer is provided after the eCoE has been issued and results in a shortening of your program duration, that UNSW must report the change of program duration to the Department of Immigration and Border Protection. For further information, please refer to this link: www.immi.gov.au
